Storing Archives

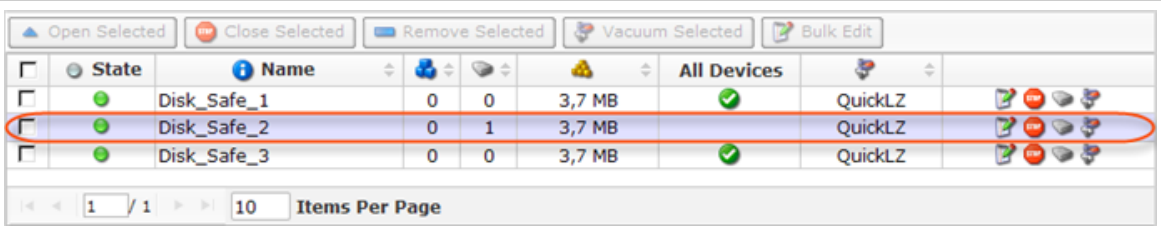
The Archive Points are saved to the assigned Disk Safe. To find the location of the Disk Safe on your computer, follow the instructions below.

1. Click on "Disk Safes" in the Main Menu to open the "Disk Safes" window.

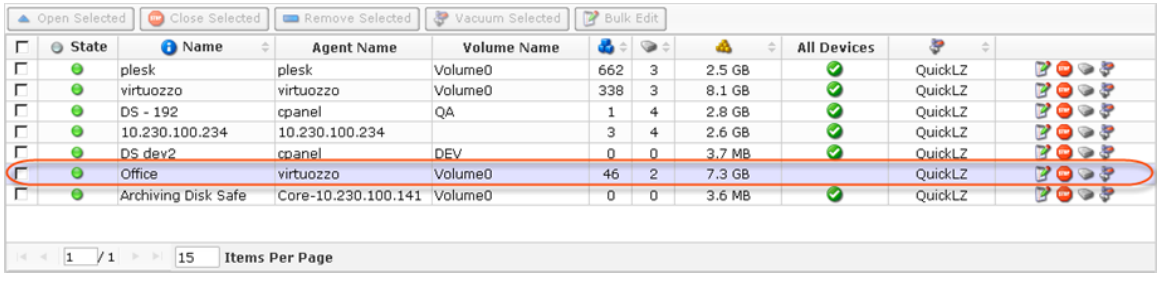
Advanced Edition	Enterprise Edition
	

2. Select the Disk Safe from the "Disk Safes" List.

Advanced Edition



Enterprise Edition



3. The path can be found in the Details Pane.

Advanced Edition	Enterprise Edition	
The Disk Safe with Archive Points can be copied and saved to any data storage. For more information, see Copying and Moving Disk Safes.
