

Canceling Tasks

Follow the instructions below to cancel a running task in CDP interface.

1. Click on "Task History" in the Main Menu to open the "Task History" screen.

2. In the "Task History" list, find the Task you need, and click on the "Cancel" icon for that Task located in the "Actions" column.

State	Alert	Type	Name	Start Time	End Time	Run Time	Actions

Tip

To find a Task, you can use the Basic and Advanced List Filters. See [Customizing the Task History List#filter](#).

3. Confirm your request to cancel the running Task by clicking on "Cancel Task" in the displayed confirmation window.

4. After the operation has been done, you will receive a notification. Click "OK".
