Deleting Control Panel Instances

Deleting a Control Panel Instance will permanently remove the Instance from the list.

Notice You cannot undo this operation once performed.

Follow the instructions below to delete a Control Panel Instance in CDP.

1. Click on "Policy" in the Main Menu to access the "Policies" page.

2. Find the necessary Policy in the "Policies" list and click on the "Edit" icon in the "Actions" column for this Policy.

😝 Disable Selected 🔘 Selected 🔀 Delete Selected 📝 Bulk Edit
