

Previewing Reports

Using the Preview function, you can view the last generated Report via the CDP Interface. Follow the instructions below.

1. Click on "Reporting" in the Main Menu to open the "Reports" window.

2. In the "Reports" list, find the Report you need and click on the "Preview" icon in the "Actions" column of that Report.

		Frequency	Last Run Time	Next Run Time	Actions
<input type="checkbox"/>	Enabled				
<input type="checkbox"/>	Restore	On Demand	12/30/10 4:48 AM	--	
<input type="checkbox"/>	ann1	On Demand	1/4/11 7:51 AM	--	

3. The system generates the preview.
