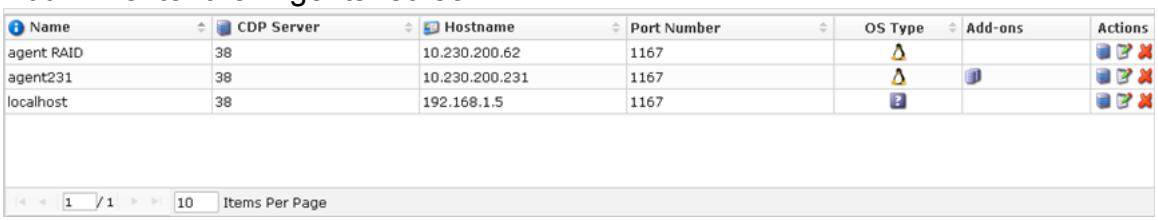
Editing Agents in Data Center Console

It is possible to edit Agents on CDP servers using the Data Center Console. Follow the instructions below.

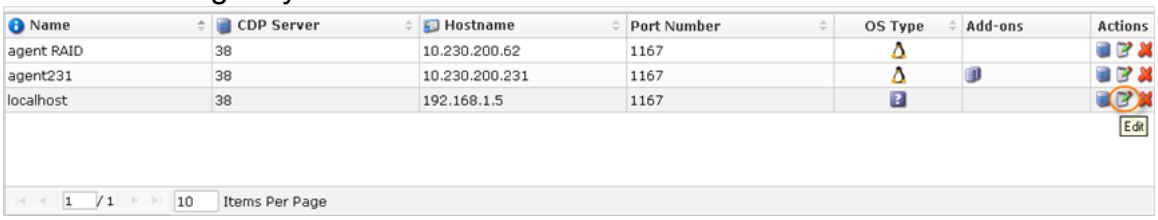
1. Select Agents from the Main Menu.

You will enter the "Agents" screen.

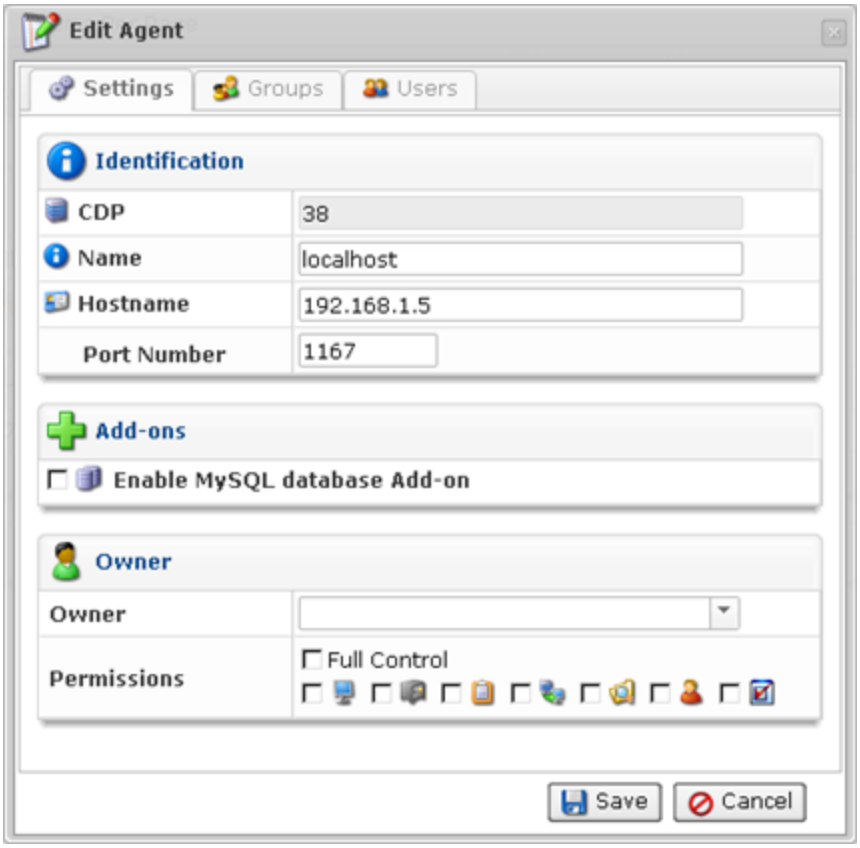


The list of all Agents from all connected CDP Servers is displayed.

2. Select the Agent you want to edit and click the "Edit" icon.



3. The "Edit Agent" window will open.



You can edit the following tabs:

- Settings
- Groups
- Users

See Creating Agents in Data Center Console for the information about every tab.

4. Once the changes are complete, click "Save."
