

Logging in to CDP Server

Follow the instructions below to log in to the CDP server.

1. Connect to the CDP Server Web Interface.

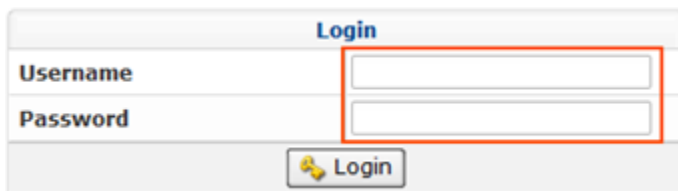

For detailed instructions on how to do this, refer to one of these pages: [Accessing Enterprise Edition Web Interface](#), [Accessing Advanced Edition Web Interface](#), [Accessing Standard Edition Web Interface](#).

2. Once you have connected to the CDP Server, you will be prompted for a Username and Password.

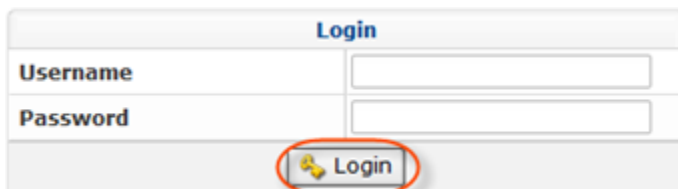

The screenshot shows the login interface for Continuous Data Protection 3.0 - Enterprise Edition. The page title is "Continuous Data Protection® 3.0 - Enterprise Edition" and there is a "Help" link in the top right corner. The main content area is titled "Login" and contains two input fields: "Username" and "Password". Below the fields is a "Login" button with a key icon. At the bottom of the form, there is a copyright notice: "© Copyright 2006-2010 R1Soft and BBS Technologies Inc."

3. Enter your Username and Password in the corresponding fields.

This screenshot shows the login form with the "Username" and "Password" input fields highlighted by a red rectangular box, indicating where the user should enter their credentials.

4. Click the "Login" button.

This screenshot shows the login form with the "Login" button highlighted by a red oval, indicating where the user should click to submit their credentials.
