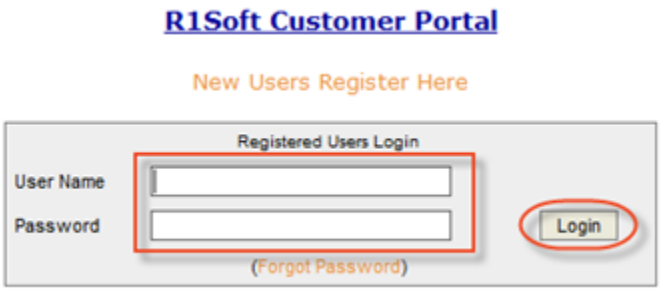
Obtaining Windows CDP Advanced Edition

To download the Windows CDP Server software, perform the following steps:

1. The software for Windows CDP Server 4.2.0 can be obtained via direct download from the R1Soft website at https://dist.r1soft.com/download/.

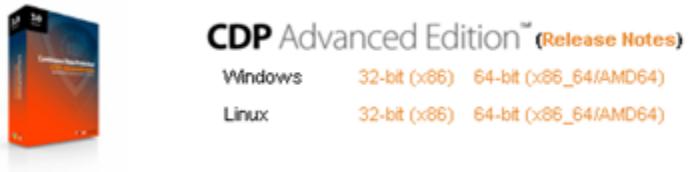
2. Log in to the R1Soft Customer Portal by entering your User Name and Password in the form on the right-hand of the screen. Registration is required for all downloads.



> **Note**
> Existing customers can use their R1Soft Customer Portal Login. The forum and tech support help desks have different logins. New customers can request a free trial download at http://www.r1soft.com/nc/company/download-cdp-advanced-edition-trial/ .

3. Click on the "Download CDP Products" link.

4. Locate the "CDP Advanced Edition" product group.



5. To download, click on the "32-bit (x86)" link for 32-bit binary Hardware/OS. Click on the "64-bit

(x86_64/AMD64)" link for 64-bit binary Hardware/OS.
