

Disabling Reports

The disabled Report will not execute at the scheduled time. However, the Report remains in the list and can be enabled again for execution.

Tip

You can disable the Report in the "Edit Report" window. See [Changing Reports](#).

Follow the instructions below to disable one or several Reports in the "Reports" list.

1. Click on "Reporting" in the Main Menu to access the "Reporting" page.

Note

The "Reporting" page is not accessible for Standard Edition running on a free license. To register a paid license, see [Registering a Paid Standard Edition License](#).

2. In the "Reports" list, select one or several Reports by selecting the appropriate corresponding checkboxes in the first column.

<input type="checkbox"/>	Enabled	Name	Owner	Frequency	Last Run Time	Next Run Time	
<input checked="" type="checkbox"/>	<input type="checkbox"/>	report	admin	Minutely	--	15-Mar-12 02:53 PM	

**Note**

You can also disable a Report by unchecking the appropriate option in the "Edit Report" window. See [Changing Reports](#).

3. Click on "Disable Selected" in the "Reports" list toolbar.

4. In the opened dialog, click "Disable" to disable all selected Reports at once.

5. The disabled Reports are marked by the red icon in the "Reports" list.
