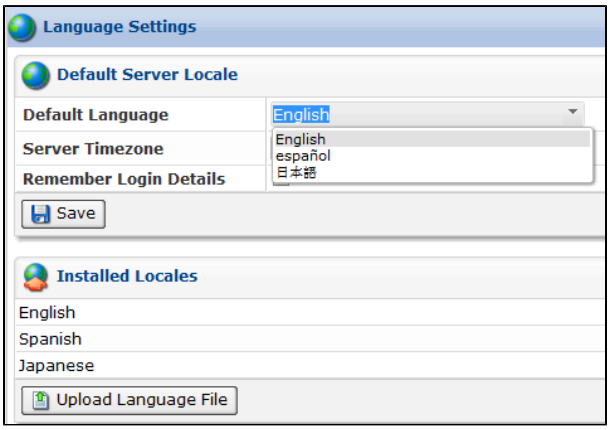
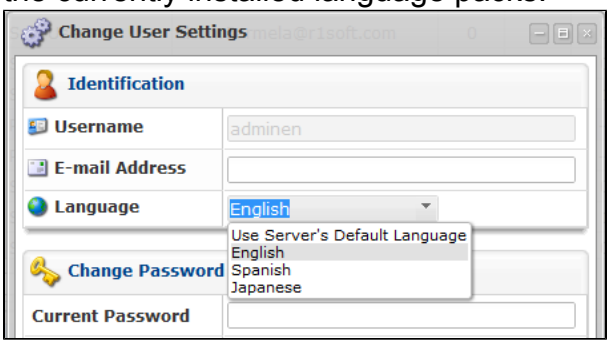
Japanese and Spanish User Interface Available in CDP Server

Product Improvement

The CDP Server interface may now be customized to display in Japanese or Spanish in addition to English.
The default CDP Server language may be set from the Configuration, Language Settings tab:



Additionally, each user can choose whether to use the CDP Server Default Language or one of the currently installed language packs:



Resolution Status

Product Component	CDP Server
Effected O/S	All
Improvement Added to Release	4.0.0
