

# Using Enterprise Edition Dashboard

Follow the instructions below to access the Dashboard in CDP.

The Dashboard page typically loads automatically after you log in. See [Logging in to CDP Server](#)

The screenshot displays the Continuous Data Protection 3.0 - Enterprise Edition Dashboard. The top bar shows the user 'Dave' and options for 'Logout' and 'Help'. The sidebar on the left contains a navigation menu with the following items: Dashboard, Volumes, Agents, Groups, Users, Disk Safes, Policy, Recovery Points, Task History, Reporting, and Configuration. The main content area is divided into three sections:

### Last 10 Finished Replications

State	Type	Agent Name	Start Time	Detail
✓	🔒	virtuozzo	4/27/11 2:36 PM	🔍
✓	🔒	plesk	4/27/11 2:11 PM	🔍
✓	🔒	virtuozzo	4/27/11 1:34 PM	🔍
✓	🔒	virtuozzo	4/27/11 1:02 PM	🔍
✓	🔒	plesk	4/27/11 12:48 PM	🔍
✓	🔒	virtuozzo	4/27/11 12:17 PM	🔍

**Server Disk Usage**

Disk	Used	Free Space	Capacity
/dev/sdb1	18.1 GB	100 GB	118.1 GB
/dev/mapper/VolGroup00-LogVol00	8.3 GB	29.4 GB	37.7 GB

**Tips**

- You can change the location of the panes by using drag-and-drop.
- You can expand/collapse the pane details by clicking on the arrow button in the top right corner of the header of the pane.

Disk	Used	Free Space	Capacity
C:\	70 GB	12.5 GB	82.5 GB
E:\	48.3 GB	53.2 GB	101.4 GB

Getting Started Area | Last 10 Finished Replications | Last 10 Tasks with Alerts | Server Disk Usage | Policy Errors

Getting Started Area

For beginners, the links to the main actions are displayed in the Dashboard:

- Create a Disk Safe - See [Creating Disk Safes](#).
- Define a Data Protection Policy - See [Creating Policies](#).
- Wait for Initial Replica - See [Accessing Task History](#).
- Enjoy CDP Replication

After clicking on the link, you will go directly to the appropriate screen.

## Last 10 Finished Replications

The table displays information about 10 recently finished Policies. The table includes the following columns:

- State - Graphically indicates the current State of the Task. The state can change over time. Move the mouse pointer over it to display a yellow tool tip that informs you of what the icon indicates. A Task can be in one (1) of the following states:
  - Queued - The Task is waiting and will run as soon as more resources are available.
  - Running - The Task is currently in progress.
  - Finished - The Task has completed successfully and without errors.
  - Error - The Task has completed with one or more errors.
  - Canceled - The Task has been terminated by the User on the "Reporting" page while running.
  - Duplicate - There is a duplicate scheduled Task in the queue.
- Type - Graphically indicates Task type: Restore Files, Merge Recovery Points or Data Protection Policy. Move the mouse pointer over it to display a yellow tool tip that informs you of what the icon indicates.
- Agent Name
- Start Time - Date and time when a Task was started.
- Detail - By clicking on the icon located in the "Detail" column, you can open the "Summary" window for the Task. The same information as shown on the "Summary" tab in the "Reporting" screen is provided in the opened window. See descriptions in [Viewing Task Summary](#).

Last 10 Finished Replications				
State	Type	Agent Name	Start Time	Detail
✓		virtuozzo	4/27/11 2:36 PM	
✓		plesk	4/27/11 2:11 PM	
✓		virtuozzo	4/27/11 1:34 PM	
✓		virtuozzo	4/27/11 1:02 PM	
✓		plesk	4/27/11 12:48 PM

✓		plesk	4/27/11 11:37 AM	
✓		virtuozzo	4/27/11 11:15 AM	

## Last 10 Tasks with Alerts

The table displays information about 10 recent Tasks with alerts. Columns are the same as in "Last 10 Finished Replications."

By clicking on the icon located in the "Detail" column, you can open the "Alerts" window for the Task. The same information as shown on the "Alerts" tab in the "Reporting" screen is provided in the opened window. See descriptions in [Viewing Alerts](#).

State	Type	Agent Name	Start Time	Detail
✖	📄	virtuozzo	5/10/11 1:32 AM	🔍
✖	📄	plesk	5/10/11 1:30 AM	🔍
✖	📄	virtuozzo	5/10/11 12:32 AM	🔍

✖	📄	plesk	5/9/11 10:30 PM	🔍
✖	📄	virtuozzo	5/9/11 9:32 PM	🔍

## Server Disk Usage

- Alert - Move the mouse pointer over it to display a yellow tool tip that shows you the message. For example, "Disk space limit has been reached".

	Disk	Used	Free Space	Capacity
✖	C:\	27,6 GB	1,7 GB	29,3 GB
	D:\	65,1 GB	32,6 GB	97,7 GB

Disk space limit has been reached

- Disk- Disk name. See [Devices](#).
- Used - Disk Resources occupied by data, in megabytes and gigabytes.
- Free Space - Disk Resources not occupied by data, in megabytes and gigabytes.
- Capacity - The capacity of a Disk to hold and retain data.

If Disk Usage reaches a warn level, the Server Disk Usage area changes its color. See more in [Configuring Server Options](#) for configuration of the option "Warn When Disk Usage Exceeds".

	Disk	Used	Free Space	Capacity
⚠	/dev/sdb1	18.3 GB	99.8 GB	118.1 GB
⚠	/dev/mapper/VolGr	8.5 GB	29.1 GB	37.7 GB

Disk space is low

## Policy Errors

If Policies run with errors, the Policy Errors table is displayed on the Dashboard.

The screenshot shows the R1Soft Continuous Data Protection 3.0 - Enterprise Edition dashboard. The interface includes a sidebar with navigation options like Dashboard, Volumes, Agents, Groups, Users, Disk Safes, Policy, Recovery Points, Task History, Reporting, and Configuration. The main content area is divided into several sections:

- Last 10 Finished Replications:** A table showing successful replication jobs for 'plesk' agents.
- Last 10 Tasks With Alerts:** A table showing failed tasks for 'virtuozzo' agents.
- Server Disk Usage:** A table showing disk usage for '/dev/sdb1' and '/dev/mapper/VolGr'.
- Policies:** A section titled 'Not OK' with the message 'Some policies are not OK'. It contains three rows, each with a progress bar and a details icon. The top row has a green checkmark and '0 / 1'. The middle row has a yellow warning icon and '0 / 1'. The bottom row has a red 'X' icon and '1 / 1'. A callout bubble labeled 'Policy Errors' points to the '1 / 1' row.

Click on the Details icon  to access the Policies screen.

The green icon indicates the Policies that run without errors.

This is a close-up view of the 'Policies' section in the dashboard. At the top, there is a red banner with a white 'X' icon and the text 'Not OK' and 'Some policies are not OK'. Below this, there are three rows, each with a progress bar and a details icon:

- The first row has a green checkmark icon on the left and '0 / 1' on the right.
- The second row has a yellow warning icon on the left and 'View policies that are OK' on the right.
- The third row has a red 'X' icon on the left and '1 / 1' on the right.

The yellow icon indicates the Policies that have warnings while processing.

The red icon indicates the Policies that run with errors.
