

Obtaining Windows CDP Standard Edition

To download the Windows CDP Server software using R1Soft Customer Portal, perform the following steps:

1. The software for Windows CDP Server 3.18.2 can be obtained via direct download from the R1Soft website at <https://dist.r1soft.com/download/>.
2. Log in to the R1Soft Customer Portal by entering your User Name and Password in the form on the right-hand side of the screen. Registration is required for all downloads.

R1Soft Customer Portal

The image shows a login form titled "Registered Users Login". It contains two input fields: "User Name" and "Password". To the right of the "Password" field is a "Login" button. Below the "Password" field is a link that says "(Forgot Password)". The "User Name" and "Password" fields, along with the "Login" button, are highlighted with an orange border.

Note

Existing customers can use their R1Soft Customer Portal Login. The forum and tech support help desks have different logins.

New customers can request a free trial download at <http://www.r1soft.com/index.php?id=496>.

3. Click on the "Download CDP Products" link.

4. Locate the "CDP Standard Edition" product group.

5. Click on the "Stable" link for the Windows product to download its stable release.

6. On the "Stable Release Downloads" page, select the most recent version. The version number is displayed in the "Version" column. The release date is displayed in the "Date" column. The most recent versions are displayed at the top of the list.

Stable Release Downloads				
Server Downloads				
Product Name:	Version:	Date:	Download:	
CDP3 Standard(Win)	3.18.2	Feb 17, 2012	Windows 32-bit (x86) (129.76 MB)	Windows 64-bit (x86_64/AMD64) (148.11 MB)
